Blossom by Viv Apple

Way back, many weeks ago,

These trees gave up their leaves,

which gently fell onto the ground

to fade and mix with others there.

And we forgot.

But now, bare branches start to live again,

and we remember.

Tiny buds emerge from shining twigs

and robins call us as we pass

to notice them. We do.

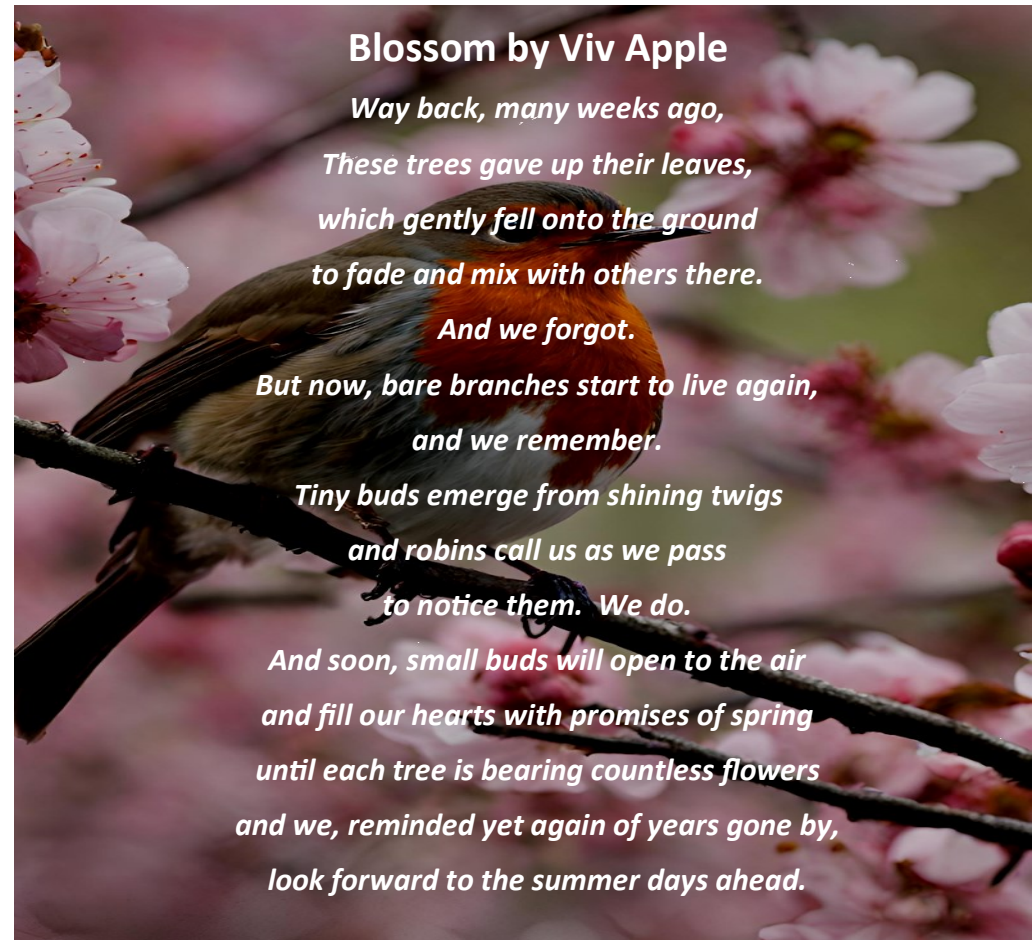

And soon, small buds will open to the air

and fill our hearts with promises of spring

until each tree is bearing countless flowers

and we, reminded yet again of years gone by,

look forward to the summer days ahead.

Members News

Olanda Wilson(Ollie)

I started working at the N.M.I in September 2007 and who would believe that I am still here 17 years later.

To say I enjoy my job is an understatement I absolutely love working here.

I started working behind the bar with James, and we had Jayne and Mo in the Kitchen, I loved working behind the bar it was amazing meeting new people and winding up the kitchen staff (Jayne).

I am now working with the team in the kitchen and if you listen closely you can still hear me!!!

My name has come up for scrutiny many times over the years and I think that only one member calls me Olanda and that's Hilda.

Here's to many more years of success and enjoyment at N.M.I.
